To Whom It May Concern:

I am delighted to write this testimonial in recognition of Thane Dunn, world champion Elvis Tribute Performer. Thane did a show in Caribou, Maine at the Performing Arts Center and thrilled a packed house of more than 700 people of all ages. His performance brought back memories of Elvis. His vocals, movements and connection to the crowd were marvelous. I have to say, his rendition of 'My Way' really was an emotional tribute and drew a standing ovation.

I have been an fan of Elvis since I was a young boy. I must say when I hear 'Elvis tribute Show' I have my doubts but Thane Dunn was the 'real deal'. Not only was he a fabulous entertainer but he is a decent, kind and thoughtful person. We are very anxious to have him back in Caribou next year and many of those who attended the recent event are already asking for tickets. I literally can't wait.

If you have the opportunity to bring Thane to your community you definitely will not be disappointed. He makes a great impression, he leaves his ego at the door, and provides a very family friendly performance that will not soon be forgotten. I am happy to offer additional comments. My contact information is below.

Sincerely,
